

## Education

Year	Degree/Certificate	Institute/School	Percentage/CPI
2017(expected)	B.Tech (Computer Science)	The LNMIIT	6.00 CPI
2012	Class XII (CBSE)	Maheshwari Public School	87.4%
2010	Class X(CBSE)	Maheshwari Public School	9.8 CGPA

## Internship Experience

### Full Stack Developer **Ithaka, Mumbai** **May'16-August'16**

- Worked on building real time chat application using Node, Angular, Firebase, Mongo, ElasticSearch
- Wrote and integrated bots for various platforms like facebook messenger, slack and telegram.

### Full Stack Developer **Provakil, New Delhi** **July'15-February'16**

- Wrote various efficient and scalable RESTful APIs in Sails.js using NoSql database (Mongo and Redis).
- Coded web scrapers and web crawlers which retrieved data and stored in structured format in Python.

### BackEnd Developer **Delivery Santa, Jaipur** **December'15-February'16**

- Wrote various efficient and scalable RESTful APIs in Node using NoSql database.

## Projects

### Node Skeleton

A boilerplate for building node.js apps using MVC model and best practices. Contains configuration for both local and social authentication. Basic CRUD APIs are also implemented to quickly test and set up the connections.

### IMDb rating lookup and extension

A python script that lets you check the IMDb rating, genre, cast etc of a movie right in your system, without opening the browser. A similar chrome extension was also made.

### Messenger Yoda bot

A facebook messenger bot which replies back to you in yoda style. Built using messenger APIs.

### A song of Ice and fire API

A node.js wrapper for AnApiOfIceAndFire. It contains all the functions provided by the APIs and also few extra ones, built using for ease of usage. Now in the APIs official documentation it is published as an npm module.

## Skills

**Programming Languages:** JavaScript | Python | C

**Backend Frameworks :** Node.js | Sails | Django | Flask | Meteor

**Frontend Frameworks :** Angular | Backbone | Bootstrap

**Database :** Mongo | Firebase | Redis | ElasticSearch | MySql

**Others :** Git | AWS EC2/S3 | RabbitMQ

## Achievements

- Public Relation Lead of LNMIIT's Google Core Committee (Program under GSA).
- Ranked under 1000 on [Codechef](#) globally and under 500 in India.
- National Talent Search Examination (NTSE) Scholar.
- Cleared National Cyber Olympiad.
- Cleared National Astronomy Olympiad.
